

Muhammad Al-Amry

Developer

PROFILE

Built a personal portfolio website showcasing responsive designs and dynamic applications—view my work at my website . Skilled in teamwork, communication, and problem-solving, with leadership experience from roles as a school manager and supermarket employee. Passionate about building a career as a full-stack developer and contributing to innovative web solutions. Eager to grow in a dynamic tech environment.

EDUCATION

Oct 2023 -- Oct 2027

U.O.I.T.C

Bachelor of Business Informatics, University of Information Technology and Communication (U.O.I.T.C) – Graduated with a B+ (GPA: 3.9). Gained expertise in programming languages such as HTML, CSS, JavaScript, Python, PHP, SQL, C#, and C++, along with hands-on experience in web development, database management, and system analysis. Completed academic projects that involved building responsive websites and dynamic applications, demonstrating my ability to solve problems and deliver innovative solutions.

EMPLOYMENT HISTORY

Assistant Manager

Alaq Al-Iraq Institute

Apr 2023 -- May 2025

As an Assistant Manager at Alaq Al-Iraq Institute, I led a team of 10+ teachers, managed daily operations, and implemented organizational systems that improved workflow efficiency by 40%. I coordinated training programs for new teachers, maintained effective communication with stakeholders, and ensured the smooth execution of projects. My role required strong leadership, problem-solving, and time-management skills, which I utilized to drive team success and enhance overall productivity. These experiences have equipped me with the ability to thrive in fast-paced environments and deliver results collaboratively.

Customer service

Supermarket worker

Jan 2020 -- Mar 2022

Al- Sehha supermarket

As a Supermarket Worker at Al-Sehha Supermarket, I developed strong customer service and organizational skills by managing inventory, handling cash transactions, and ensuring the store was clean and fully stocked. I collaborated with team members to maintain efficient operations and solved customer inquiries promptly. This experience honed my ability to work in fast-paced environments, communicate effectively, and solve problems—skills I now aim to apply in a development role to contribute to innovative tech solutions.
